01. /executive_summary

“

This report presents the selected proprietary naming candidates for Tal and Yaeli's boutique creative studio. The names are engineered to bypass venture-backed founder cynicism, telegraphing operational predictability, high-end taste, and frictionless execution. The positioning merges the "Frictionless Flow" of a lifelong partnership with the technical precision of "The Modern Artisans."

02. /core_narrative

Market Saturation

HIGH

The market is saturated with chaotic agencies delivering fragmented results. High-value clients seek clean, calming digital spaces that feel intentional.

Strategic Decision

High Impact

Hybrid Positioning

Position as "The Modern Artisans." Utilize AI as a precision instrument, not a shortcut. Combine deep intuitive friendship (Frictionless Flow) with technical mastery for flawless digital flagships.
